

## New York State Education Department School Accountability Status as of September 2002

District Name: Sodus Central School District

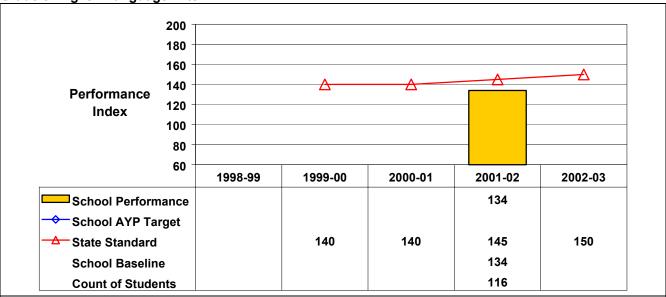

School Name: Sodus Middle School BEDSCODE: 651201060004

This school did not receive Title I funds in 2001-02 and, regardless of status, is not subject to NCLB interventions.

## September 2002 School Accountability Status based on 2001 English language arts (ELA) and mathematics results: Satisfactory - not subject to NCLB interventions.

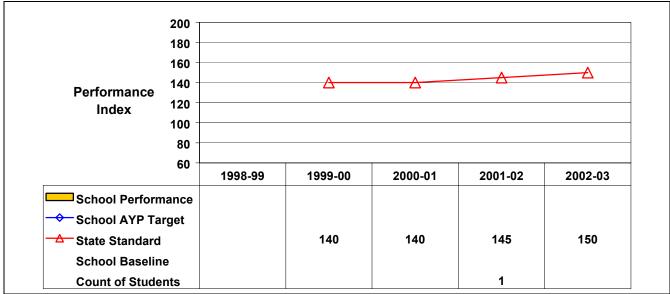

The graphs below show the school's performance relative to the State standard and school AYP targets (if applicable).

## **Grade 8 English Language Arts**

Student performance on this assessment in 2001–02 is below State standard. Because this school did not report results for this assessment in 2000–01, a two-year baseline could not be computed. Therefore, this school did not make the State standard or AYP under NCLB.

## **Grade 8 Mathematics**

Results on this assessment were reported for a combined count of fewer than 20 students over the past two years (2000–01 and 2001–02), which is too few to reliably measure school performance. Therefore, no reliable judgment could be made about this school's status.
