### District Need to Resource Capacity Category

N/RC Category	Description
2	This is one of the large city school districts; Buffalo, Rochester, Syracuse, or Yonkers. All these districts have high student needs relative to district resource capacity.

### Similar School Group and Description

Similar School Group	Description
22	All schools in this group are middle level schools in large cities other than New York City. The schools in this group are in the lower range of student needs for middle level schools in these districts.

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

Data for the 2000-2001 school year include January, June and August 2001 graduates; data for the 2001-2002 school year include January and June 2002 graduates; data for the 2002–2003 school year include August 2002 and January and June 2003 graduates.
