District Need to Resource Capacity Category

N/RC Category	Description
5	This is a school district with average student needs in relation to district resource capacity.

Similar School Group and Description

Similar School Group	Description
51	All schools in this group are secondary level schools in school districts with average student needs in relation to district resource capacity. The schools in this group are in the higher range of student needs for secondary level schools in these districts.

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

High School Graduates Earning Regents Diplomas*

*Only students awarded local diplomas (including local diplomas with Regents endorsements) are counted as high school graduates. Because of a change in data collection procedures for the 2001–02 school year, diploma counts for that year do not include counts from August 2001. Data for the 2002–03 school year include August 2002 and January and June 2003 graduates; data for the 2003–04 school year include August 2003 and January and June 2004 graduates.
