District Need to Resource Capacity Category

N/RC Category	Description
3	This is an urban or suburban school district with high student needs in relation to district resource capacity.

Similar School Group and Description

Similar School Group	Description
	All schools in this group are middle level schools in urban or suburban school districts with high student needs in relation to
27	district resources. The schools in this group are in the higher range of student needs for middle level schools in these districts.

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

^{*}Only students awarded local diplomas (including local diplomas with Regents endorsements) are counted as high school graduates. Because of a change in data collection procedures for the 2001–02 school year, diploma counts for that year do not include counts from August 2001. Data for the 2002–03 school year include August 2002 and January and June 2003 graduates; data for the 2003–04 school year include August 2003 and January and June 2004 graduates.
