Instructional Expenditures for General Education are K-12 expenditures for classroom instruction (excluding Special Education) plus a proration of building level administrative and instructional support expenditures. The pupil count for General Education is K-12 average daily membership plus K-12 pupils for whom the district pays tuition to another school district. This number represents all pupils, including those classified as having disabilities and those not classified, excluding only students with disabilities placed out of district. For districts in which a county jail is located, this number includes incarcerated youth to whom the district must provide an education program.

Students attending the State schools at Rome and Batavia, private placements, and out-of-state placements are included.
