

CORTLAND COUNTY GRADUATION PATHWAYS DATA

The Board of Regents approved regulations establishing multiple, comparably rigorous assessment pathways to graduation for all students. The recently approved regulations recognize the importance of engaging students' interests in rigorous and relevant academic programs in the Arts; Languages other than English (LOTE)/Biliteracy; Career and Technical Education (CTE); Humanities; Science, Technology, Engineering and Mathematics (STEM); and Career Developmental Occupational Studies (CDOS). The revised regulation allows students to use a passing score on an approved pathway assessment or successful completion of program requirements for the CDOS credential toward meeting the assessment requirements for graduation.

Note: As there is currently no approved LOTE pathway assessment, no graduates with the LOTE pathway will be reported for 2017. Due to this discrepancy, the total number of graduates will not equal the sum of all reported pathways.

Complete information on the types of diploma credentials which can be earned and the criteria for each .
